

# RIGHT TO INFORMATION ACT 2005

As on 27.01. 2018

4(1)(a) : Information provided in separate link

4(1)(b): In pursuant to the section 4(1)(b) of Right to Information Act 2005, the following information regarding the Karnataka Science and Technology Academy (KSTA), (A Registered Society of the Government of Karnataka) is published for the information of general public.

## I. Particulars of organization, function and duties:

In order to give impetus and to further the science and technology related activities in the State of Karnataka as well as to popularize science among different cross sections of civil society, especially in rural areas, Government of Karnataka established "Karnataka Science and Technology Academy (KSTA)" under the Department of Science and Technology on July 30, 2005 vide GO No. ವಿಯಇ ವಿತ್ರಮ 2005. KSTA was inaugurated and started functioning from September 1, 2005. KSTA has been registered as a society under the Karnataka Registration Act 1960 on 6<sup>th</sup> April 2009.

KTSA has been playing vital role in bringing science and technological innovations and advancements within the sphere of the general public. In this context, KSTA has been carrying out many science and technology related programs under the Chairmanship of Prof. U.R. Rao, an internationally renowned Space Scientist and Former Chairman, Indian Space Research Organization (ISRO) / Secretary, DOS, Govt. of India. It has 14 members comprising of eminent scientists and educationalists as well as Principal Secretaries/ Secretaries of some of the Government Departments.

### a) A brief administration function of the Centre is given below:

Administration function of the Academy is being carried out as per the rules and regulations outlined in the Memorandum of Association (MoA) as well as decisions of the Executive Committee and General Body meetings. However, day-to-day activities of the Academy are administered by the Chief Executive Officer (CEO) and Member Secretary of KSTA.

### b) The objectives of KSTA are:

Objectives of the Society shall be:

- To inculcate scientific temper among different cross sections of society especially in rural areas of the State.
- To develop science and technology teaching and learning resources and distribute the same to colleges and schools.

- To create and disseminate knowledge base on science and technology through journals, newsletters, articles.
- To encourage students to pursue studies in basic science and to take up higher studies and research in basic science subjects.
- To bring awareness among students regarding developments and opportunities in frontier areas of science and technology.
- To celebrate national and international science and technology events to bring awareness among students and general public.
- To support organization of conferences, seminars, workshops, exhibitions and quiz programs, melas, etc., related to science and technology propagation.
- To organize scientific conferences, seminars and workshops for officers of line departments, teaching faculty and general public to provide a platform for discussion and exchange of ideas/ views with experts.
- To recognize and award scientist/technocrats for their outstanding life time achievement and contributions in science and technology.
- To provide encouragement for science writers in Kannada through 'best writer' award.
- To organize training of trainers and capacity building.
- To encourage science communication
- To advise the Government on the developments related to Science and Technology.

## **II. The powers and duties of its officers and employees.**

General Administration and Implementation of programmes as per the decisions of the General Body and Executive Committee of KSTA are managed by Director (Technical), Department of Science and Technology, who is the ex-officio Chief Executive Officer (CEO) and Member Secretary of KSTA. However, the Executive Committee will provide guidance on the administration and management of the financial affairs of the Academy.

Administrative Officer and Assistant Accounts Officer assist CEO and Member Secretary of KSTA in administration and also management of account of the Academy. Scientific Officers provide assistance in the preparation of proposals, coordination in implementation and monitoring of programmes and in writing reports.

### **iii. The Procedure followed in the decision making process, including channels supervision and accountability.**

The administration and management of the financial affairs of the Academy will be conducted in accordance with decisions and guidance of the Executive Committee of KSTA. However, day-to-day activities of the Academy, both Administration and Programme implementation, will be managed by CEO and Member Secretary of KSTA as per the rules and regulations outlined in Memorandum of Association (MoA) and decisions taken from time to time by the Executive Committee and General Body meetings.

### **iv. The norms set by it for the discharge of its functions:**

Rules and regulations outlined in Memorandum of Association (MoA) and decisions taken in the Executive Committee and the General Body are norms set for the discharge of functions.

**v. The rules, regulations instructions, manuals and records held by it or under its control or used by its employees for discharging its function:**

The rules, regulations and instructions governing the activities of KSTA are outlined in detail in the MoA. Furthermore, rules and regulations are laid down by the Annual General Body Meeting (AGM) of the Academy from time to time. Any amendments to the norms and rules and regulations are discussed in the Executive Committee meeting and recommend to AGM for approval or ratification as the case may warrant.

**vi. A statement of the categories of documents that are held by it or under its control.**

KSTA maintains documents related to its official functioning such as: files concerning programme execution, administration files with respect to appointments, Executive Committee Meeting Agenda and Proceedings, Government Orders, notifications as well as accounts related documents.

That apart, KSTA has been bringing out science quarterly publication titled, "Vignan Loka" with an objective of popularizing science as well as to bring awareness about science and technological innovations, advancements and usefulness among high school students, teachers and general public. It is being published quarterly. Copies of the publication are being sent to degree colleges, PU colleges, Science Centers, Libraries and other organizations free of cost so as to disseminate scientific information at grass root level.

**vii. The particulars of any arrangement that exists for consultation with or representation by the members of the public in relation to the formation of its policy or implementation thereof:**

There is no separate arrangement for consultation by the members of the public in relation to the formulation of its policy or implementation thereof.

**viii. A statement of the boards, councils, committees and other bodies consisting of two or more persons constituted as its part or for the purpose of its advise and as to whether meetings of those boards, councils, committees and other bodies are open to the public or the minutes of such meetings are accessible for public:**

The composition of the General Body is presented in annexure 1. Minutes of the meetings are circulated to all the members and to the Department of Science and Technology, GoK. That apart, a sub-committee may be constituted to deliberate about specific programmes/issues and to give its recommendation regarding the same for taking decisions in the Executive Committee. However, these meetings are not open to the public and minutes of these meetings are not accessible to the public.

**ix. A directory of its officers and employees:** Given in Annexure II.

**x. The monthly remuneration received by each of its officers and employees, including the system of compensation as provided in its regulations:**

KSTA has employed personnel to work in different positions such as Scientific Officer, Publicity and Public Relations Officer/ Administrative Officer, Assistant Accounts Officer, Personal Assistant, Second Division Assistant and Attender on contract basis. Their monthly remuneration was fixed as per State Government pay scale by a sub-committee constituted for the purpose based on educational qualification, previous experience and performance in the interview. Thereafter, annual increment and promotion to higher scale for the employees are considered based on the competence and performance at work. Employees are provided Provident Fund and Health Insurance as per the norms of the Government. Details of monthly remuneration fixed for different posts at KSTA are given in Annexure III.

**xi. The budget allocated to each of its agency, indicating the particulars of all plans, proposed expenditures and reports on disbursements made: Not Applicable**

**xii. The manner of execution of subsidy programs, including the amounts allocation and the details of beneficiaries of such programs:**

In order to give encouragement for basic science education, KSTA Fellowship programme has been instituted for students enrolled for basic science degree. A student must have secured not less than 70% marks in the Pre-University Course for consideration for the fellowship. Every year 20 Fellowships will be awarded for students of each university of the state @ Rs.10000/- per student per month for 10 months duration, totaling to an amount of Rs.10000/-. The fellowship will be continued to second and third year degree, provided the Fellowship Awardees secures at least 60% marks in the previous year examination.

**xiii.Particulars of recipients of concessions, permits or authorization granted by it:  
Not applicable**

**xiv.Details in respect of the information, available to or held by it, reduced in an electronic form:**

Proposals, details of programmes implemented, reports and official correspondence are kept in electronic form. Details of programmes implemented are given in the website of KSTA (<http://www.kstacademy.in>) for information of the general public.

**xv.The particulars of facilities available to citizens for obtaining information, including the working hours of a library or reading room, if maintained for public use;**

Citizens can contact CEO and Member Secretary, KSTA for information at the office between 10.00 am to 5.30 pm, except for second Saturday of every month and other holidays, OR the information can be obtain through KSTA website. KSTA has not yet set-up library and reading room facilities in its premises.
