## About KSCST

Karnataka State Council for Science and Technology (KSCST) was one of the first State S&T Councils to be set up in the country established in the year 1975 at Indian Institute of Science Campus. It is an autonomous S&T organization under Department of Science & Technology, Government of Karnataka. From the several decades KSCST has been pro-actively engaging itself to identify, propose and implement S&T based solutions to locale specific needs / problems in the broad areas of Water, Education, Energy, Housing, Geospatial technologies and Infrastructure etc in the State. In co-operation with the Indian Institute of Science and several other premier R&D institutions, KSCST executes many projects and programmes aimed at improving socio-economic conditions of the people of the state. Patent Information Centre (PIC), KSCST is tirelessly working to create an IP ecosystem in Karnataka by conducting awareness, capacity building, basic and advance training programmes on Intellectual Property Rights (IPRs) and innovation. Further PIC - KSCST has established and continue to establish IP cells across Karnataka in Science/Engineering Institutions / Universities.

## About CIPAM:

Cell for IPR Promotion and Management is a professional body under the aegis of Department for Promotion of Industry and Internal Trade (DPIIT) which ensures focused action on issues related to IPRs and addresses the 7 identified objectives of the policy. CIPAM assists in simplifying and streamlining of IP processes, apart from undertaking steps for furthering IPR awareness, commercialization and enforcement. In association KSCST, CIPAM established the 8<sup>th</sup> Technology Innovation support centre at KSCST during February 2020.

## About KSTA:

The Karnataka State Science and Technology Academy was established under the Chairmanship of Late Prof. U.R. Rao, an internationally renowned Space Scientist and Former Chairman, Indian Space Research Organization (ISRO) / Secretary, DOS, Govt. of India on 30<sup>th</sup> July 2005 as a Society under Karnataka Societies Registration Act, 1960 on 06<sup>th</sup> April, 2009. KSTA give impetus and to further the science and technology related activities in the State of Karnataka as well as to popularize science among different cross sections of civil society, especially in rural areas, Government of Karnataka

KSTA is carrying out many dovetailed programs across the state and it has been playing a pivotal role in providing impetus for basic science education and popularization of science among different cross sections of society, more particularly among rural students. It has 13 members comprising of eminent Scientists and educationalists as well as Principal Secretaries / Secretaries of the Government Departments.

## *Who can attend?*

- *Faculties of Engineering, Degree, MBA and MSc only*

## **Objective of the Programme:**

Intellectual Property and innovative will provide the Students, Faculties and Young Entrepreneurs an understanding the challenges and difficulties in the pandemic situation and IP. This provide all of them to understand the Law, Rules of IP protection. Motivate them to come out with innovative process and product to solve or attempt to solve the problem of the present situation as well as the future

## **Key Take Away**

- Complete short lecture series on IPRs and Innovation
- Highly qualified Subject Matter Experts
- Certification
